## HAPPY NEW YEAR

With every new year that we share together we learn something new and experience different things together. Last month we shared a Union Dinner with everyone to get a chance to sit down together and share laughs and bring together toys to donate to children. This year we are looking forward to doing a lot more. We want to be able to sponsor sport events, some 50/50 raffles and possibly some beef and beers so we have the chance to come together again. We want to have meetings every month with our members so that everyone is in tune with what is going on with our union. Make sure you check out our website to see all the special savings you are entitled to as a union member. Don't forget about taking advantage of the free college courses that are available. We want everyone to know you are not just a union paying member you are entitled to savings. Any questions you may have please send us an email we will gladly inform you of the extras. Any ideas you want to share please let us know.

## NEW HEALTH INSURANCE CHANGE

Keep in mind that we have new health insurance. You will receive an Aetna card, Express Scripts and a new HSA card. If you have any trouble with your HSA card, please reach out to Walt in our finance department at the township building 856-665-1000 ext. 146. Any problems pertaining to your Aetna card please call Rachel 856-665-1000 ext. 109. Any extra HSA card that you need you must contact the number on the back of the card.

## JANUARY, READY FOR COLD WEATHER?

Once that new year kicks in, we already know here comes the snow! Make sure that you are at all times safe and prepared for these weather conditions. Make sure you have an emergency bag in your car in case you ever get stuck in the freezing cold in your vehicle. Always remember you matter first if you can not drive in the weather please stay home, the roads are for the first responders only. Stay safe!
