## SHOP STEWARD INTEREST

Your union is in need of some shop stewards. We need shop stewards in the following locations: Police Dept., Courts Dept., and the Township building. We are looking for members who not only see the changes but makes sure that the change going on around us is equally distributed. Someone who is responsible and willing to stand up for what is right and wrong, to make sure the council is in the know at all times. We realize that the size of the members has grown and continues to grow and we do not want anyone to feel they were missed or being abused in the work place. We need to make sure our members are not going into meetings without union representation. Stay tuned email to follow to those who are interested in filling these seats.
